

2021 Rotary Club of Aurora State of the City

Dear Rotary Friend,

The Rotary Club of Aurora will be hosting the State of the City luncheon with Aurora Mayor Mike Coffman on Wednesday, October 13, 2021. This event makes it possible for Aurora citizens to hear from Mayor Coffman about the general health of the city and also enables the Rotary Club of Aurora and the Aurora Rotary Foundation to support a number of important community projects. Pre-COVID, in 2019, we partnered with the City of Aurora and other entities to build the Accessible playground for children with disabilities at Aurora's Red Tailed Hawk park and playground. If you have not seen this wonderful new community amenity, it's worth driving out to 23701 E Hinsdale Way in Aurora to visit! Additionally, with the support received from the 2019 State of the City event, we gave participating 3rd grade classrooms in the Aurora new Kindles and made donations to the Salvation Army, Peaceful Schools, and Rangeview High School 9th grade programs. We were also able to give scholarships to college bound Aurora students, to the Latin American Education Foundation, and to send students to RYLA leadership camp. In the past, many local companies have been gracious enough to sponsor a table at this event that provides great networking opportunities and supports the Aurora community. The Rotary Club of Aurora and Foundation are hoping that you, too, will consider contributing your support for this event.
