

# 2022 Rotary Club of Aurora State of the City

Dear Rotary Friend,

The Rotary Club of Aurora will be hosting the State of the City luncheon with Aurora Mayor Mike Coffman on Thursday, October 13, 2022. This event makes it possible for Aurora citizens to hear from Mayor Coffman about the general health of the city and enables the Rotary Club of Aurora and the Aurora Rotary Foundation to support a number of important community projects. In the previous 2-3 years, we partnered with the City of Aurora and other entities to build the Accessible playground for children with disabilities at Aurora's Red-Tailed Hawk Park and Playground, a truly wonderful community amenity worth driving out to 23701 E Hinsdale Way in Aurora to experience! Additionally, with the support received from the State of the City events, we have provided 3rd grade classrooms in the Aurora with new Kindles and made donations to the Salvation Army, Peaceful Schools, Rangeview High School 9th grade programs, Aurora Sister Cities youth programming, and the YMCA. We were also able to give scholarships to college bound Aurora students, to the Latin American Education Foundation, and to send students to RYLA leadership camp. In the past, many local companies have been gracious enough to sponsor a table at this event that provides great networking opportunities and supports the Aurora community. The Rotary Club of Aurora and Foundation are hoping that you, too, will consider contributing your support for this event.

**We will have several different types of sponsorships, to include:**

**GOLD Sponsor level - \$2,800.00**
